

3000/Lesson 12

READING

Read out loud the transcription of the dictation:

Wake up, wake up! Susan shouted at me like she was out of her mind. At first I ignored her, but she didn't stop. Again she had a dream that she was bitten by a scary monster. I lent her my talisman and it calmed her down. And we also swapped places on the bed to keep her safe by the wall. I think the seed of a phobia is sprouting in her.
