

# 3000/Lesson 13

## **READING**

Read out loud the transcription of the dictation:

The first time I saw him was at the research center. He was sitting at his desk, completely engrossed in his work. He didn't even notice that I broke the bowl. His interest was the strange object on the table. It looked like a steel ball. He tried to cut it in half. I was disappointed when I was not allowed to participate in the project.

## **LISTENING**

Watch 2 min of the video (1:03-3:04). Try to retell the footage in your own words and answer the questions below.
