

3000/Lesson 15

READING

Read out loud the transcription of the dictation:

We wanted to do a tour of Fogl Castle, but ended up spending the whole afternoon on the coast. Gábi bought a beautiful necklace from the local street vendors and my sister collected seashells to decorate her painting. We enjoyed the vacation a lot, even though we each gained two kilos at least. Doesn't matter. I won't eat much next month.
