

3000/Lesson 18

READING

Read out loud the transcription of the dictation:

Before I started the dorms, I was worried a lot because I didn't know anyone at the new school. I knew I would have to share a room with two other girls. In the end, it all turned out great beyond expectations and we became an inseparable trio. It has totally blown my mind. Last week I attended the wedding of one of my roommates.

LISTENING

Watch 2:19 min of the video. Try to retell the footage in your own words and answer the questions below.

<https://www.youtube.com/watch?v=FkKPsLxgpuY>

What do people mean by IQ?

What is the correlation between English and math?

Have you ever measured your IQ? If not, what is your estimation?

Remember from the context:

to boast about st.

rigorous measurement

to take a test

accuracy

for real

a whole bunch of tests

trainable

concrete breakthrough occurred in...

to relate

to correlate

unrelated, uncorrelated

in other words

after all

math

skill sets

TRANSCRIPTION OF THE CONVERSATION
