## **READING**

Read out loud the transcription of the dictation:

In a small village, Lily cared for her chickens every day. One frosty morning, she found Snowflake ill. Worried, she looked after her, never leaving her side. Despite her illness, Snowflake got better. Lily's family planned to open a farm shop. Lily helped, but never forgot Snowflake. They opened the shop, selling eggs and vegetables. Lily smiled under the stars, grateful for her family and their farm.
