READING

Read out loud the transcription of the dictation:

In November, the small town prepared for its annual festival. The streets filled with colorful decoration. Among them was a strange old shop, hardly noticed before. Inside, mysterious artifacts filled the shelves. A peculiar crystal caught young Mia's eye. She touched it, and suddenly, time seemed to freeze. The shop owner appeared, explaining it was a time crystal. Mia was intrigued. She begged to know more. The owner chuckled and said, "Only those who dare can run through time's corridors." With a wink, he vanished, leaving Mia to ponder her newfound adventure.
