READING

Read out loud the transcription of the dictation:

It was March, and Sarah had a special task. She needed to prepare her garden for the upcoming spring. She took a short break and enjoyed a cup of tea. Suddenly, her phone rang—it was an emergency message about an approaching storm. Sarah quickly finished her tea and rushed to secure her garden. As she worked, she heard music playing nearby and saw her neighbors having a dance party. Despite the forecast of rain, they danced joyfully. When Sarah finished, she received a message from her neighbor, offering help with her garden. Grateful for the offer, she thanked them and then they admired her beautiful garden together.
